Hello Friends! Thank you for joining us for Homeschool Day at Mount Vernon! We are so glad that you are here.

How to use this booklet:
Inside this booklet will show you where and when activities are happening. On the back is the full schedule of activities and films included with admission.

This booklet is a companion piece to the estate map, which contains additional locations to visit, accessibility information, and guest services.

Homeschool Day Bingo!
Keep track of what you see and learn today by playing bingo with your group. Younger visitors can play the Mansion shapes and colors bingo board. If you get five in a row, visit the desk in the Education Center lobby for a prize. Prizes available while supplies last.

Want to supplement your visit further?
We have two homeschool guides available. Farmer & Entrepreneur (ages 8 - 10) and Gardens & Landscapes (ages 5 - 7). All of the stops in the homeschool guides are included in this booklet.

Let us know what you think!
This week we will be sending out a survey via email and will appreciate your feedback!

Look for the signs with this logo to find your way to Pioneer Farm!
