Five Farms Map and Commemorative Plaque Information

The Neighborhood Friends program was created in 1987 by the Mount Vernon Ladies' Association to re-establish historic ties that existed between George Washington's Mount Vernon and its neighbors. With the support of the Neighborhood Friends, Mount Vernon continues to preserve our foremost founding father's home for future generations. Funds raised through the purchase of the Five Farms Maps and Commemorative Plaques go to support the Neighborhood Friends annual project on the estate.
