The Neighborhood Friends program was created in 1987 by the Mount Vernon Ladies’ Association to re-establish historic ties that existed between the Mount Vernon estate and its neighbors. With the support of the Neighborhood Friends, the Mount Vernon estate continues to preserve our foremost founding father’s home for future generations. Funds raised through the purchase of the Five Farms Maps and Commemorative Plaques go to support the Neighborhood Friends annual project on the estate.

Plaques and maps are Made in the USA

George Washington’s Five Farms Map

This historic reproduction of George Washington’s 1793 hand-drawn map of the Five Farms of the Mount Vernon Estate shows what the landscape around your home and community would have looked like 200 years ago. Each unframed map measures 23” x 18.75”.

The opportunity to purchase a Five Farms Map is an exclusive benefit for current members of the Neighborhood Friends of Mount Vernon. Included with the map are instructions for personalizing and locating your home on the map, location stickers and a 20% off discount coupon for custom framing at Buchanan and Kiguel.

Commemorative Plaque

This unique plaque was created specifically to recognize homes that are situated on the original Five Farms of George Washington’s historic Estate. The Five Farm plaques are made in the USA.

The plaque is a nine-inch oval bearing George Washington’s elegantly inscribed cypher in the center. It is available in solid bronze or bronze-finish aluminum. Both metals are durable and appropriate for indoor or outdoor display.

The opportunity to purchase a commemorative plaque is an exclusive benefit for current members of the Neighborhood Friends of Mount Vernon. Included with the plaque is a certificate of registry.
