MOUNT ★ VERNON

DEPARTMENT OF HOSPITALITY

Name:

1. Why are you interested in volunteering at George Washington's Mount Vernon specifically, rather than another organization?
2. If you are interested in a specific area of volunteering, please describe your interest and the skills you would bring to that role.
3. Mount Vernon volunteers are ambassadors of this historic place, regardless of role, and represent the spirit of 'Washington hospitality.' How do you interpret this responsibility? What does it mean to you in your actions or interactions as a volunteer?
